All rights reserved. No reproduction, transmission, transcription, storage in a retrieval system, or translation into any language or by any means, electronic, mechanical, optical, chemical, manual, or otherwise, any part of this document without express written permission of HealthLink Company Limited.

The information contained in these guides should not be used for any other purpose than to address HealthLink electronic messages for transmission of clinical information.

Liability Notice:

Every effort has been made to ensure that the information in this document, supplied by HealthLink Company Limited, is accurate and complete. However, as use and interpretation of this document is beyond the control of HealthLink Company Limited, no liability, either direct or consequential, can be entertained by HealthLink Company Limited , its agents, or suppliers.

How to use this Document:

This document has been designed with the intention of being used by organisations that wish to send electronic messages to Health Professionals who are capable of receiving messages into a Practice Management/Electronic Medical Record System.

It is recommended that senders contact new recipients initially, prior to sending messages, to confirm that they have a capable system.

NB: "Please Enquire": This organisation has multiple EDIs. Please enquire with the site to determine the EDI to use.
